

Commissioning & Technical Services (N.A.) WINS INAVERO'S 2018 BEST OF STAFFING® CLIENT AND TALENT AWARDS

Earned by less than two percent of all staffing agencies in the U.S. and Canada

Burlington, ON – February 15th 2018 – Commissioning & Technical Services (N.A.) (CTSNA), a leading employment agency in the Power Generation & Nuclear industries announced today that they have won [Inavero's Best of Staffing® Client and Talent Awards](#) for providing superior service to their clients and job seekers. Presented in partnership with CareerBuilder, Inavero's Best of Staffing winners have proven to be industry leaders in service quality based entirely on ratings by their clients and the employees they've helped find jobs. On average, clients of winning agencies are 2.3 times more likely to be completely satisfied, and job seekers who work with winning agencies are 1.7 times more likely to be completely satisfied with the services provided compared to those working with non-winning agencies. Less than 2% of all staffing agencies in the U.S. and Canada have earned the Best of Staffing Award for service excellence.

"We are especially proud of our achievement this year", CTSNA President and CEO, Neil Smith said, "it is our second year in a row and it just drives home that we are doing the right things to keep our clients and candidates happy".

Focused on helping to connect people with the right job openings at Canadian companies, CTSNA (part of Morson Group www.morson.com), received satisfaction scores of 8, 9 or 10 out of 10 from 100% of their clients and 85% of their talent, significantly higher than the industry's average.

Eric Goodman, Operations Manager added, "This award would not have been possible without the dedication and support from every member of the CTSNA team, so thank you for all your hard work this year! Thank you also to our contractors and clients. Your feedback is critical to us as we strive to continuously improve our service level.

"With a tight labor market and growing economy, finding the right recruiting partners is critical to success," said Inavero's CEO Eric Gregg. "Best of Staffing winners provide consistently remarkable service to their clients and job candidates, and I couldn't be more proud to feature them on BestofStaffing.com."
